Dear FOIA Coordinator,

Under the Freedom of Information Act, I am requesting copies of public records regarding the Class I list of approved sources (Attachment G) for the Miller #23-41 disposal well Permit Number MI-035-11-C001. If there are any fees for copying these records, please inform me if the cost will exceed \$50.00.

The Freedom of Information Act requires a response to this request within five days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Amy Shaw
